A 3D architectural rendering of a covered porch area. The porch is a large, rectangular space with a light brown, textured floor. It is bordered by a low, light-colored wall on the left side, which has a wooden railing. The porch is situated on a green lawn. The text "porche cubierto" and "18,10 m²" is displayed in the center of the porch area.

porche cubierto
18,10 m²
